Stainless Steel – The Only Choice

Select Water Tanks is a proudly Australian owned company, specialising in custom built Stainless Steel Water Tanks. By building custom made tanks we can offer much more variation, allowing your water tank to serve any required purpose.

Stainless Steel is as familiar and robust as your kitchen sink. It is widely considered as superior for strength, durability and hygiene, and is the material of choice in commercial applications and food preparation areas the world over.

By manufacturing our tanks from Stainless Steel, we can maximise your tank's expected lifetime and happily offer you an unprecedented 30 year warranty. Your custom built Stainless Steel tank will also look fantastic and is guaranteed to deliver you the purest, safest drinking water.

Why Choose A Stainless Steel Tank?

1. A Stainless Steel Rainwater tank has a service life will in excess of 40 years and are designed to withstand the harshest of Australian conditions.
2. The reputation of Stainless Steel as a strong, durable and hygienic material is unsurpassed – you will have ultimate peace of mind when it comes to the quality of your water.
3. Stainless Steel is fully recyclable
4. They look fantastic
5. With an extended service life and reduced maintenance costs, they in fact COST LESS than other comparative tanks over the working life of the tank.

“ After much research, it was clear that Stainless Steel was the only way to go, and we were pleasantly surprised by how cost effective it was...”

The Perfect Tank for Your Home or Business

At Select Water Tanks we realise that one size does not necessarily fit all, so we specialise in custom building tanks to fit a designated space at your home or business.

In addition to custom building tanks, we offer a wide range of standard and slimline options, including :

- Standard Round Tanks,
- Super Slimline Tanks,
- Standard Slimline Tanks, and
- Jumbo Slimline Tanks.

Due to the superior strength of Stainless Steel we are able to offer the **LARGEST RANGE OF SLIMLINE TANKS IN AUSTRALIA.**

Our Slimline Tanks enjoy tremendous popularity for their smart appearance and ability to fit in small niches and otherwise wasted spaces.

All tanks come with a 30 year warranty and are fitted with screened strainer, mosquito proof overflow and a 25mm outlet.

Developers and Builders

We can also custom build tanks for large estates and even whole communities. We have the tools and know how to build large industrial tanks, creating limitless solutions for your water storage needs.

We deal with large scale developments and builds on a regular basis, so we offer plans and bulk purchasing. As a builder or developer, why not talk to us about our large rural and domestic packages that we have available.
